02 What we do

We model and present all kinds of products, for your product pages, ads and social media.

Fashion

E-commerce and lifestyle photos, try-ons, full outfits.

Accessories

Bags, watches, glasses, shoes, jewellery.

Tech & gadgets

Unboxings and demos, presented on camera in English or French.

Home, sport, outdoor

Products shown in real-life situations.

UGC videos

Natural smartphone-style videos for TikTok, Instagram and Amazon.

Solo or duo

Each of us separately, or both together in a lifestyle scene.

03 Two ways to work

Right now, from France

You ship the products to France. We shoot them in real European settings and send you the files.

April–May 2027, in China

We're on site. We come to your studio or showroom, or shoot outdoors.

Either way: a European face for your European customers, with no casting and no agency fees.

04 Your proposal

You tell us what you want to shoot: your products, the type of photos or videos, the style and the intended use. We adapt to your project.

A few examples of requests:

Type of request	Format	Delivery
E-commerce photos	Plain background, front / side / back	5–7 days
Lifestyle photos	Indoor or outdoor scenes	5–7 days
On-camera product video	9:16 or 16:9, English or French, 30–60 s	7 days
UGC video	9:16, smartphone style, 15–45 s	7 days
Try-on or unboxing	9:16, 30–60 s	7 days

Pricing on quote, based on your proposal. Small test projects are welcome. Full usage rights for your store, social media and ads.
